This communication is in follow-up to the "Decision Refusing Status under 37 CFR 1.47(a)," mailed February 5, 2002.

In reply to a "Notice to File Missing Parts of Nonprovisional Application" mailed September 10, 2001, with a two-month period for reply, on November 14, 2001, applicants filed a petition under §1.47(a). This petition was not accompanied by the petition for an extension of time for response within the first month (and fee) necessary to make the reply timely, and thus, the petition was dismissed as untimely (Decision mailed February 5, 2002). Nonetheless, as the maximum period for reply obtainable extended to April 10, 2002, applicant was advised that the application was not yet abandoned. Filing of a petition to extend the period for reply was necessary to consider the petition. Applicants were specifically advised that failure to file a timely and proper response would result in abandonment of the application.

Petitioners have not filed a response. Accordingly, the application is considered abandoned effective November 11, 2001 for failure to file a timely and proper reply to the "Notice to File Missing Parts of Nonprovisional Application," mailed September 10, 2001. Applicants may consider filing a petition under §1.137(a) or §1.137(b), as appropriate, to revive the application.
